NOTES:

Revitalize – Fulvic Acid from the Shiljat in Revitalize may increase Iron levels

Carb Blocker – Hibiscus Flower Extract in Carb Blocker is shown to increase milk supply.

CORE HEALTH

If you are currently taking a prenatal you may choose to use your prenatal and remove the Adult Multivitamin. This will increase the price of the product due to purchasing individually versus in a bundle.

WORKOUTS:

If you are pregnant or nursing consult your doctor to approve the level of physical activity appropriate for you. Revitalize and MCT creamer is excellent for clean workout energy and replenishment.
